OVERVIEW

Gateway Clippers has been in business for over 16 years and has over 70 locations, located in Missouri, Illinois, and Florida.

GOAL

Gateway Clippers wanted to save money on their overhead operating expenses.

RESULTS

Gateway Clippers submitted their internet and phone bills for consideration. Activation of the savings program was rolled out to the master account and to each of the subsidiaries over the next day. The client experienced an immediate one-time discount and a recurring month-to-month discount. The results have been incredible.
